

Swish... St Pauls Basketball Club Newsletter

March 2007

President: John Harkness: 95038382
Secretary: Sofia Twirdy: 95784899

Summer Presentation Night

The Presentation night for our almost completed Summer season will be held on TUESDAY 27th March commencing at 7pm sharp. Following the same successful format as previous years, Pizza and drinks will be available after the presentation of trophies and awards.

The night also gives everyone the opportunity to register for the Winter season and with fees unchanged, bring along your cheque book for the most easy and convenient way to pay.

It is a great night for the players so please mark it on your calendar and make a night of it!

Outstanding Fees.....

Congratulations to everyone that promptly paid fees this season. The Club as you understand, must account for and reimburse the Association for every player that steps onto the court... a cost that we find difficult to carry when fees aren't paid.

If you are yet to pay or need to check the outstanding balance, contact Sofia as soon as possible for further information.

An ideal way to pay from the comfort of your own home is to transfer payment via the internet.

Through your own account you can set up a transfer to the St Pauls account.

Commonwealth Bank

BSB 063106

Acc No: 10179697

label the deposit with the name of the player to which it relates....easy!

Name Change?

As a Club with a proud tradition and a striking uniform we probably soon need to look at how we want to be seen by the local community. The name of St Pauls relates to the school closest to the McKinnon Stadium (Catholic) while most of our current players come from all over the area. In keeping the 'Saints' tradition, does anyone have any ideas as to a more encompassing name? Your thoughts and ideas are most appreciated.

Coaches wanted!

With the success of the Cougarball on Saturday and Sunday mornings we are hopeful of creating some new teams for next season and need coaches. If you are interested and willing to undergo some training of your own, please give John or Sofia a call to discuss. The position of Junior coach is ideal for a young teenager wanting to impart their knowledge. The advantage of helping the Club is twofold...the opportunity to help and your own fees reduced or free.

Bits & Pieces.....

The duty of scoring in a match should be a duty shared..... the Team Manager has enough to do filling in the sheet before the game and even ensuring everyone is there!

If you're not on a roster and have never scored before try sitting on the bench and watching or helping one day..... it's not difficult and when it's your time to score there is always help available.

Swish

The Committee is looking for willing Parent's to join and assist with the running of the Club.

In particular we need a Boy's Co-Ordinator which in turn will keep John Harkness in the President's chair longer! Like all things with St Paul's, no one is left alone and a transition will take place to assist the new committee member settle in.

Swish

All Coaches will be issued with a WINTER Coaches Pass soon. A Coach is admitted FREE to games that they are involved in, another enticement to help out the Club!
