PLAYER qualifications

Finals Eligibility - In order to be eligible to play in the finals a player must have played in 50% +1 of the games for their registered team in a stipulated championship season. At St Paul's we believe that when you become a member of one of our teams you should honour this commitment. If a player is unable to attend a training session or a match they should let the team manager or their coach know.

Good Luck to all teams in Finals!

New season will begin April 17th/18th

Scoresheet

Next season moves to U10/12/14/16/18 age ranges plus there is also an increase in scoresheet feeswe will not be increasing registration fees for next season but we will probably have to increase these in the Summer 2010/11 season.

Thankyouto all our Coaches and team Managers for their help this season.

Entrance fee

Stadium entrance fees for next season will increase to \$2. It has been over 4 years since the dollar entry fee was first introduced.
